Many of my cakes look like they are covered in fondant, but they are not.

All cakes are iced with Swiss Butter Cream, which is not too sweet and never hardens. You may also request our traditional icing that is sweeter and more firm. **We also offer** White Chocolate, Dark Chocolate, Coffee or any liqueur added to either of the above icings or fillings for an additional \$.25 per person.

CROOKED CAKES – One of my many specialties, start at \$5.00 per person.

CUPCAKES - \$2.75 per person and up. Rent one of my stands or buy one from cupcaketree.com and decorate it yourself.

UNUSUAL REQUESTS – If you are looking for something unique, you have come to the right place. How about a custom shape? Don't want a traditional wedding cake? As an award winning sculptor, I can create an unusual cake for your special day. Did you meet on the internet? How about a computer shaped cake. Any design and shape is possible!

ASK ABOUT SPECIAL REQUESTS – Nut allergies - no problem. Vegan or dairy-free - add \$.50 per person.

NOT ALL DESIGNS INCLUDED. Prices may be subject to change. Small additional fee for cakes not round. All fondant, gumpaste and/or royal icing added to the cake will have an additional charge based upon design.

DELIVERY/SET-UP FEE – Free for all Savannah Center weddings. All others, delivery fee starts at \$45.00. You can pick up and transport a cake in a van or SUV or any vehicle that lies “flat” in the back, but not a trunk where the car will be warm or hot inside. During warmer weather or if the sun is hot, air-conditioning is a must.

GROOM'S CAKES – Many times the wedding day revolves around the bride, so why not have a special cake for the groom. I believe it should be something about him and the flavor cake he likes. Sometimes they are served at the wedding, but many of my groom's cakes are served at the rehearsal dinner. That way, the rehearsal dinner can be *all* about him.

ENGAGEMENT CAKES AND SHOWER CAKES – Many different designs are available.

BACHELOR/BACHELORETTE CAKES – . Why not add a little naughty fun to your party?!

Any cake that contains separator plates and posts that need to be returned will require a refundable deposit. All parts must be returned by Wednesday following the wedding except Savannah Center brides. Items not brought back clean may be subject to a \$15.00 cleaning fee. Any broken or missing parts will be the sole responsibility of the bride. A replacement fee will be in writing on the contract in the event this occurs. Fortunately, this is very rare.

*A \$100.00 non-refundable/non-transferable deposit is required to hold your date which comes off the price of your wedding cake. Full payment is due 2 weeks prior to the wedding date and is non-refundable if the wedding is cancelled and is non-transferable. Only cash or money orders are accepted if paid less than 2 weeks prior to the wedding. Savannah Brides may pay one check to Savannah for the cake and reception according to their terms. **FIRST YEAR ANNIVERSARY** – With 100 or more servings, our gift to you is a 6” cake “on” your anniversary or at your wedding boxed to go into the freezer.*
